Services provided by the Physical Therapist

WHAT SERVICES CAN YOU EXPECT FOR YOUR CHILD?

- Formal and informal assessments
- Individually designed plans, programs, and goals based on your child's needs.
- Classroom suggestions and assistance, as needed. Cross training of classroom team to increase effectiveness of physical therapy services.
- Interventions based on your child's needs.
- Treatment may include techniques to improve strength, range of motion, endurance, coordination, balance, posture, body awareness, self organization, motor planning, and mobility.

ADDITIONALLY YOUR PHYSICAL THERAPIST MAY:

- Communicate/coordinate services with outside therapists or other medical services.
- Provide parent consultation training, support resources, education and linkage to other agencies.
- Attend clinic/medical appointments as needed/helpful.
